

Modular Furniture Piece.

Chair (w/out casters only) / Coffe table (w/ optional swivel casters) / Side table (w/ optional swivel casters)

SURA is a modular furniture piece designed for small spaces. It functions as a chair and with the addition of locking, swivel casters it functions as a coffee or side table. The casters make the coffee/side table very portable. SURA is fabricated out of a strong aluminum alloy with an Indian inspired design woven into the metal. SURA is 100% recyclable.

Options and Features

SURA works as a chair or a coffee/side table. Both the coffee table and side table models come with the option of locking, swivel casters. Casters are available in 40mm diameter. SURA also contains storage space inside for books and magazines.

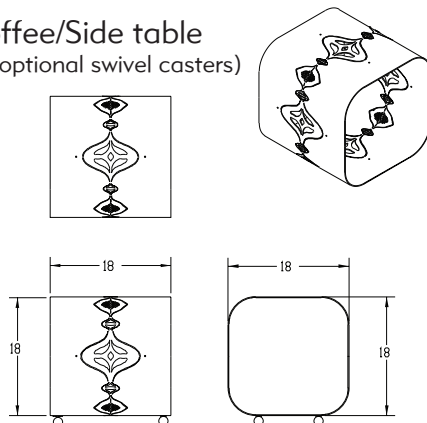

Finishes

SURA is fabricated out 3/16" thick, marine-grade aluminum. SURA is available in a powder-coated finish which is rated for interior or exterior applications. Powder-coating color options: matte or glossy white, matte or glossy black, glossy grey or glossy, candy-apple red. Custom colors are available upon request when a minimum order is placed. Additional charge of \$1,500 applies to custom color orders.
